WINTER OLYMPICS

Brown's Sunnyhill Gardens

Route 4, Box 136

Walla Walla, Washington

Greetings!

Once again it is our pleasure to greet our friends of the Iris world, to wish you all a healthy and pleasure filled year of gardening. We hope, too, that as Spring arrives each will thrill to the marvel of Nature as she unfolds new beauty . . . erasing the unpleasant memories of a Winter season which has been most unkind to flower lovers from border to border. To each and every one we extend sincere appreciation for the confidence shown by continued orders, your letters and cards are appreciated and cherished.

We constantly strive to grow, test, and list only the best of the thousands of varieties registered and introduced in recent years, a difficult undertaking to be sure, but the only method whereby we can accomplish our aim . . . to list varieties which our valued friends and customers can consider with a high degree of confidence.

Sincerely,

Tom and Opal
